## Message from Head of School

**Ms. Deepika Sachar**

It gives me immense pleasure to travel the Setu and bring GSGS to every home!! The vision of Dr Revathi Srinivasan, Director Education Singhanian Schools, to provide “an environment of mutual respect, understanding, and support, where every student is empowered to reach their full potential”, gets reflected in the school paradigm and I take this opportunity to unfold the same through my message.

As you all know the 21st Century is a whole new gamut where education is reimagined and revolutionized for the modern era. In this dynamic and forward-thinking era, traditional methods of teaching must pave way for innovative approaches that prioritize the needs and interests of each student. It's an ever-evolving process that requires us all to adapt and grow together.

We at Gautam Singhanian Global School have embraced the changing trends, understanding each individual, fostering a love for learning and inculcating the 5C's-Collaboration, Compassion, Community, Culture and Candour in our students thereby giving them the power to shape a better world tomorrow!

We leave no stone unturned to give our children an exposure to all avenues of holistic, all-round education. As educators, we understand that true education goes beyond rote memorization and exam scores. We strive to create a vibrant and engaging learning environment that nurtures curiosity, creativity, and a thirst for knowledge.

I would like to pause here but not before thanking you all for supporting us in all our endeavours and it's this collaboration which, you will agree, is paramount in making the educational journey of every student outstanding. Let's strengthen the foundation to ensure we take our children reach the highest pinnacle of success.

I look forward to working together to create a nurturing and enriching environment for our children throughout their schooling years.

**Seasons Greetings and Best Wishes to All!!**

## **Celebrations/ Activities**

**World Environment Day**

**Puppet Show**

**World Smile Day**

**Green Day**

**Mental Health Day**

**Ekta Divas**

**Celebrations and activities are an integral part of education. At GSGS we provide the students with umpteen opportunities to learn many new things and catch the values without being taught, as "values are always caught not taught" Hence we engage them through a plethora of activities & celebrations which are always ongoing.**

**Nutrition Week**

**Onam**

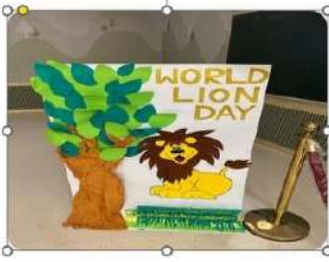

**World Lion Day**

**Yellow Day**

**Red Day**

# A sneak-peek into Celebrations/ Activities

Save environment  
Love Nature

# *Festivities*

Festivals educate, inspire and unite the children. It fosters oneness and infuses them with pride at being an Indian with a Global mindset.

**Independence Day  
Janmashtami  
Ganesh Chaturthi  
Navratri & Dussehra  
Diwali**

# Glimpses of Festivities

# Diwali Celebrations!!!

Diwali, festival of lights was celebrated with great fervor in all the grades today. The children spoke about sharing, caring spending time with family, saying no to crackers as they cause air and noise pollution. The children danced to foot tapping tunes and sang songs of Diwali. All children of Nursery to Senior KG went on stage and it was very encouraging to see them confidently participate. Street play and deep yoga by students of grades 1 & 2 were highly appreciated.

# Performing Arts

Performing art is full of joy that you really cannot put into words

# Learning Centres

Learning Centers, Libraries and ICT labs, are essential in providing access to information, supporting research and learning, developing ICT skills, promoting inclusivity, fostering lifelong learning, building communities, and preserving knowledge. They serve as vital resources in the educational landscape, contributing to the intellectual and personal growth of individuals and the advancement of society as a whole.

# Congrats!

Winners of literary & cultural competitions of  
Grade 1& 2

## Birthdays @ GSGS

For their Birthday the children donated plants becoming Eco Warriors promising to take care of the environment focusing on sustainable development.

## Joy of giving

**Our children made cards and diyas for all the admin and support staff in school and presented them with the same.**

**All the students thanked the entire team for taking care of them and helping them at all times.**

## *Team Behind the scene*

This colorful panoramic execution has been possible only because of the dedicated team of our teachers working tirelessly behind the scenes to ensure that their children get the best. We applaud their zeal & commitment!!!!
