**GAUTAM SINGHANIA
GLOBAL SCHOOL**

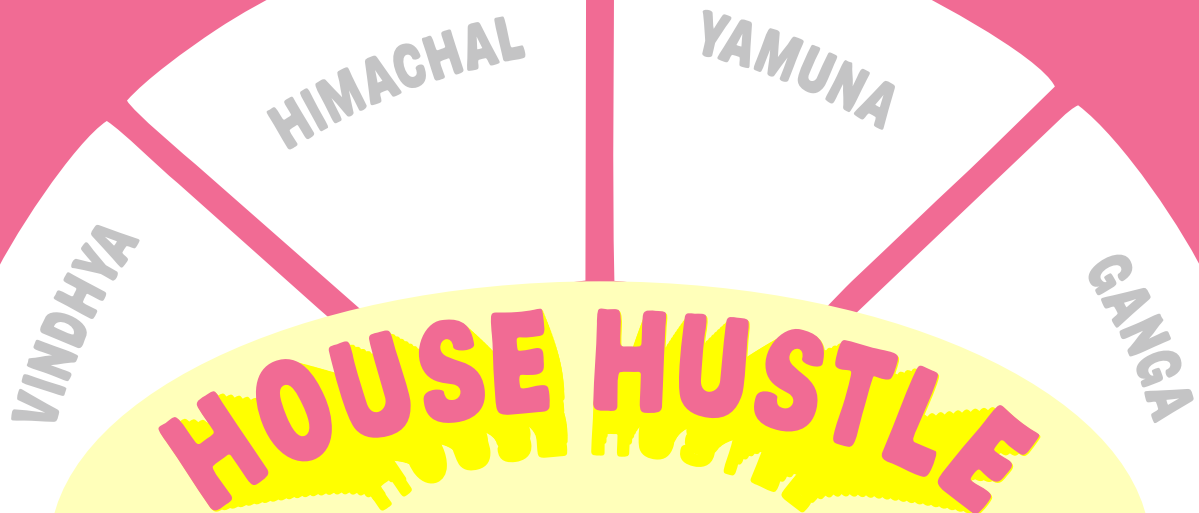

Message from Head of the School

Dear Parents,
Greetings from Gautam Singhania Global School! As we move forward in this academic year, I am delighted to share the progress and achievements of our students. Each day at school brings fresh opportunities for learning and growth, and it is truly inspiring to witness the curiosity, creativity, and confidence that our children display. Our teachers remain committed to nurturing not just academic excellence but also the values and skills essential for the 21st century. The enthusiasm and active participation of our students in academics, co-curricular activities, and sports have been remarkable, reflecting their talents, discipline, and teamwork. As a school community, we firmly believe that education is most meaningful when parents and teachers work hand in hand, and your constant encouragement plays a vital role in motivating our children. Together, we are shaping confident learners who are curious, compassionate, and courageous in facing challenges beyond the classroom. With this shared vision, let us continue to provide an environment that fosters holistic development and lifelong learning. Wishing you all good health, happiness, and success always.

Mrs. Vaidehi Harkare
HOS, GSGS, Dombivli

The Inter House Competitions

The interhouse competitions at Gautam Singhania Global School were filled with enthusiasm, energy, and healthy rivalry. Students showcased their knowledge and quick thinking in the Science and Geography Quiz, impressing everyone with their curiosity and awareness. The Elocution competition provided a wonderful platform for confident speakers to express their thoughts with clarity, expression, and conviction. Adding a creative twist, the Mic n Drop activity brought out humor, wit, and originality, keeping the audience thoroughly entertained. These events not only highlighted the diverse talents of our students but also encouraged teamwork, discipline, and sportsmanship. The participation across all houses was commendable, with students putting forth their best performances. Such competitions truly enrich the school experience and help students discover their hidden strengths. We look forward to more such engaging events that celebrate the spirit of learning and expression.

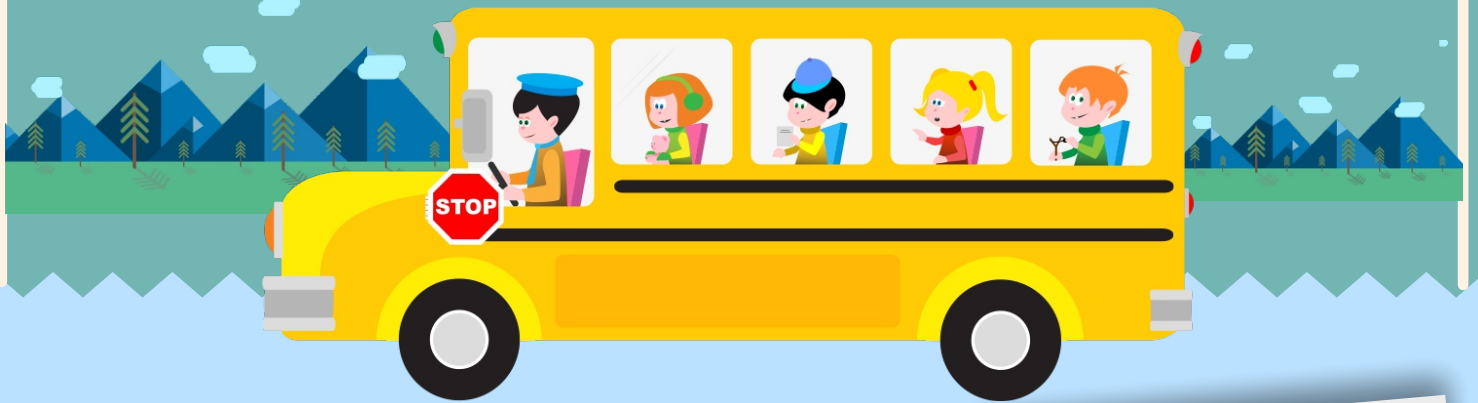

Spandan (Cultural Events)

The cultural calendar at Gautam Singhania Global School was marked with vibrant celebrations that brought students closer to values and traditions. The Ashadhi Ekadashi Dindi filled the campus with devotion as children joyfully participated in the procession with song and dance. Gokulashtami was celebrated with enthusiasm, as the little ones recreated the spirit of Lord Krishna through songs, skits, and the playful handi ritual. Independence Day was observed with pride and patriotism, as students saluted the tricolour and showcased cultural programs highlighting India's rich heritage. The Ganpati celebration brought the school together in prayer, joy, and creativity with eco-friendly idols and lively performances. Each event reflected the essence of unity, culture, and respect for traditions. Such occasions not only instill values but also provide our students with memorable experiences of togetherness. The joy and energy of these festivities truly made the school come alive.

FIELD TRIPS *and* EXCURSIONS

Field trips at Gautam Singhania Global School have always been an enriching extension of classroom learning, offering students experiences that combine fun with knowledge. In April, our young learners visited the Traffic Park, where they gained practical awareness about road safety, traffic signs, and responsible behavior as pedestrians and future citizens. July brought the excitement of a Monsoon Trek, where students explored nature's beauty, experienced the thrill of adventure, and understood the importance of environmental conservation. In August, students of Grades 1 to 4 had a delightful educational visit to the Parle G factory at Ambernath. Watching the process of biscuit-making, from machines at work to flawless packaging, was both fascinating and inspiring. Adding to these experiences, students of Grades 3 and 4 went on an educational trip to the nearby backwaters, observing the ecosystem closely while learning about aquatic life and the harmony of nature. Each trip created memories, broadened horizons, and reinforced the joy of experiential learning.

Talk Over Cookies was a delightful initiative that created space for warm conversations and stronger connections. Over a plate of cookies, children shared their thoughts, dreams, and little stories with openness and joy. The informal setting made even the shyest voices feel comfortable and confident. Teachers too, enjoyed listening to their students beyond academics, discovering their ideas and perspectives in a new light. Laughter, smiles, and the simple act of sharing turned the event into a truly heartwarming experience. It beautifully showed that sometimes the sweetest memories are created over the simplest moments.

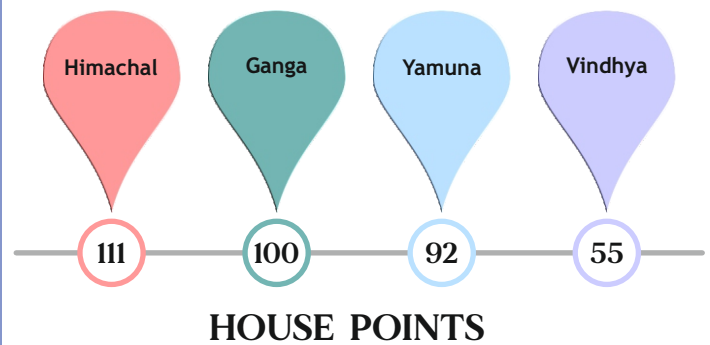

This term, our students actively participated in a variety of sports and co-curricular activities that nurtured their skills and interests. The Carrom sessions enhanced focus, patience, and strategic thinking. Taekwondo training built confidence, discipline, and self-defense techniques among children. On the field, Football brought out teamwork, stamina, and sportsmanship, while Cricket boosted coordination, concentration, and a spirit of healthy competition. These activities not only kept our students physically active but also instilled essential life skills. Term 1 was indeed filled with enthusiasm, and holistic growth through sports.

INTERHOUSE COMPETITIONS

The Interhouse Cricket and Football competitions were conducted with great zeal and enthusiasm. Students showcased their skills, energy, and team spirit on the field. The matches were filled with excitement as every house gave their best performance.

All the Interhouse competitions scores have been added so far and the score board has been shared below

COLOUR DAYS

The Pre-Primary section celebrated Colour Days with immense excitement and joy.

Children came dressed in bright colours, filling the classrooms with cheer.

Yellow Day symbolized sunshine and happiness.

Red Day spread love, energy, and warmth.

Green Day highlighted the freshness of nature around us.

Blue Day brought calmness, peace, and serenity.

Through songs, stories, and creative activities, students explored each colour.

It was a fun-filled learning experience that made colours come alive for our little ones.

GOKULASHTAMI CELEBRATION

The festival of Gokulashtami was celebrated with great joy and devotion at our school. Children came dressed as little Krishna and Radha, adding charm to the festive atmosphere. Traditional songs, dance performances, and storytelling brought alive the playful spirit of Lord Krishna. The highlight of the celebration was the enthusiastic Dahi Handi event, where our little ones recreated Krishna's mischief with cheer and laughter. The entire campus echoed with bhajans and the chant of "Govinda Ala Re." Through this celebration, students not only experienced the joy of festivities but also learned the values of love, friendship, and togetherness.

PUPPET SHOW

The Pre-Primary students enjoyed a delightful Puppet Show organized at school. With colourful puppets and lively storytelling, the little ones were taken into a world of imagination and fun. The engaging characters and simple moral stories not only entertained the children but also conveyed important values in an enjoyable way. Their laughter, curiosity, and excitement filled the hall as they eagerly interacted with the puppets. It was truly a magical experience that combined learning with joy, leaving lasting impressions on our tiny tots.

FIELD TRIPS – COMMUNITY HELPERS

The Pre-Primary students had exciting experiential learning trips this month. Nursery children visited Smart Bazaar, where they observed different sections of the store. They learned about vegetables, fruits, groceries, and everyday essentials in a fun way. It was a wonderful opportunity to connect classroom learning with real-life experiences. Jr. KG and Sr. KG students visited the Police Station. They interacted with police officers and learned about their important role in society. The visit helped children understand safety, discipline, and respect for community helpers. Both trips were enriching, enjoyable, and left the children curious to learn more.

SPORTS ACTIVITIES

Recreational activities, ladder and marker cones activities, hurdles races and taekwondo (Sr. Kg)

Testimonilas

“

I am Supriya Inamdar, proud mother of Palasha Inamdar from Grade 3 – A. It is a matter of great joy to be associated with Gautam Singhania Global School, Dombivli. The school has created a warm and encouraging environment where children are inspired to learn, explore, and dream big. Palasha enjoys her learning journey here – from interactive lessons to fun activities, each experience builds her confidence and curiosity. We deeply value the way the school blends academics with co-curricular opportunities, helping children grow into well-rounded personalities. The dedication of the teachers and the vision of the school management reflect in the happy smiles of the students. As parents, we feel assured that our children are in the right hands, growing into confident, kind, and responsible individuals. With gratitude and best wishes,
Supriya Inamdar,
Grade 3

”

“

We are very happy with Gautam Singhania Global School. The teachers are extremely supportive and maintain a wonderful interaction with the children. The teaching methods are engaging, making learning enjoyable for students. Our daughter loves going to school so much that even on weekends and holidays, she says she wants to go to school. The school takes excellent care of the students and keeps parents well informed through timely updates, emails, photos, and videos of daily activities. We truly appreciate the efforts of the school and the teachers in creating such a positive and nurturing environment.

”

Dear Mam/Sir, To Whom It May Concern, As a parent of a child studying in standard 3rd at Gautam Singhania Global School (GSGS), I am delighted to share my positive experience with the school. GSGS stands out not only for its commitment to academic excellence but also for the nurturing environment fostered by its esteemed Head of School (HOS). The HOS has created a true second home for all children, leading with genuine love, warmth, and dedication to every child's well-being and happiness. Her passion for education and affectionate approach are evident in the range of new activities and initiatives she has introduced, making learning vibrant and meaningful for every student. My son, Riaan feels safe, joyful, and inspired to participate in these new experiences, whether they are academic pursuits or co-curricular events. The HOS's leadership is complemented by the dedicated ground staff and a proactive management team. Every team at GSGS ensures constant support, helping the school run smoothly while providing a secure, welcoming, and friendly campus atmosphere where both students and teachers can thrive. The collective effort of the ground staff, management, faculty, and HOS is the backbone of GSGS's holistic development philosophy. Academically, GSGS excels due to its passionate educators and forward-thinking curriculum. Students are encouraged to develop critical thinking and creativity within a supportive environment. The vibrant sports culture at the school has grown even richer this year with the introduction of new outdoor activities for kids like field trips, which provide students exciting opportunities to explore, stay active, and learn outside the classroom. Such activities have been greatly appreciated by students and parents alike, as they foster teamwork, confidence, and holistic physical development. The Head of School's forward thinking initiatives have helped spark even greater enthusiasm among children, helping them discover and nurture their talents. Riaan's Hande excitement and happiness at attending school are a testament to the positive influence of the HOS and all staff members. I am proud to recommend Gautam Singhania Global School to other parents seeking a place that values both education and the holistic development of their children.

Sincerely,
Sheetal & Ketan Hande,
Grade 3
